

Ambassador Rewards

Sierra Donor Services
an extraordinary commitment to science, health and hope

Welcome To Donate Life Ambassador Rewards!

Welcome to the Donate Life Ambassador Rewards Program for Sierra Donor Services (SDS). We are excited that you have chosen to become part of a growing team of dedicated individuals who have a passion for saving lives by increasing organ and tissue donation through public education.

Your commitment, talents, energy, and enthusiasm help reach thousands in our communities through donor awareness activities.

This rewards program was created to provide an opportunity for our public education staff to be able to thank each of you for your hard work and personal hours given to help improve our mission of saving and enhancing lives. Through volunteering your time, we hope to thank you with a wide variety of Donate Life keepsakes to choose from out of our rewards catalog. We hope to continually update this catalog full of exciting and new items to look forward to.

Thank you for your willingness to partner with us to help save lives by becoming a Donate Life Ambassador. We hope these keepsakes can serve as a small token of our gratitude for the hard work accomplished.

Together, we can continue to make a difference for LIFE!

- Sierra Donor Services

How It Works

What is it?

This Ambassador Rewards Program was created for you, our Donate Life Ambassadors! It is our mission to provide an opportunity for you to earn Donate Life keepsakes from as a thank you for volunteering your time to our organization.

How does it work?

We will be providing an Ambassador Rewards catalog with the list of available Donate Life keepsakes to choose from. Each item will be associated with the number of hours worked. For example, the more hours volunteered, you can choose from the larger items in the catalog. It is our goal to continually update and refresh the rewards catalog with new items on an annual basis. Have an item to suggest? Let us know!

How do I know my volunteer hours?

We will send an email with your current hour total **twice a year (June and December)**. If you would like to know your volunteer hours at any other time, please contact our Public Education team at volunteersSDS@dcids.org.

When can I redeem my volunteer hours?

We will be accepting redemption forms (included in packet) twice a year:

June 1, 2020 - June 30, 2020

December 1, 2020 - December 31, 2020

During these months, you can choose to order a Donate Life keepsake according to the number of volunteer hours worked. You can redeem your hours in June or keep accruing your hours through December. **Volunteer hours do NOT roll over to the next year.** It is highly encouraged to redeem your hours in December as the balance will return to zero on January 1st.

When will I receive my Donate Life keepsake?

Once all redemption forms are received, we will order the items, which can take up to 2-3 months to arrive. All items must be picked up from our main office in West Sacramento (3940 Industrial Blvd. West Sacramento, CA 95691) We do not have the resources to deliver items.

Have more questions? Please, email your inquiry to volunteersSDS@dcids.org.

**Ambassador Rewards
Volunteer Hours Redemption Form**

On _____, 2020 I wish to redeem my volunteer hours to receive a Donate Life keepsake from the Ambassador Rewards catalog.

(Item)

If ordering clothing, please include size

Name: _____

Signature: _____
